## AREAS OF EXPERTISE

This project includes everything from a full store demo and install of a current décor package, to simple one-day adjustments or upgrades to décor packages. With the number of projects taking place with Miller Zell and Wal-Mart, it was imperative to complete projects on time with no punch anywhere in the country! Sky will bring qualified, experienced and trained technicians to accomplish all projects with the highest level of expectations and standards in the industry, along with unmatched customer service and professionalism.
